

News From Dave Chapman

Here are our prayer requests for the months of January and February of 2012:

1. Please pray for plans & the follow through on plans laid down during 2 days of meetings re: the financial stewardship for Fellowship National. Those meetings take place on January 16 & 17.
2. Continue to pray for the ongoing support raising that we are doing for our President, Steve Jones.
Praise God for good headway and pray for the Fellowship Churches that are presently considering his needs.
3. We continue to look for the final \$300 to \$400 a month for John & Lise Francis. Join us in trusting God that these needs will be met in the next few weeks so that they can depart for the field in late February.
4. Much of our time, these days, is spent on the promotion of Project 2012, "Kick Start Two". At this point we have \$50,000 in towards our goal of \$200,000 to \$300,000. Pray that God will put in on the hearts of our Fellowship Family to team with us on this vital Church Planting project.
