

# City Kidz Monthly Prayer Update

## September 2011

Hello, and a happy and blessed fall to all! The City Kidz buses are on the move again, and there are several prayer requests related to both the kids programs and the development team.

### 1. The New Facilities at 601 Burlington Street East

Praise the Lord for a smooth and seamless move from Gage Avenue to the new offices on Burlington Street. The Playhouse Theatre remains our home but Burlington Street provides much more usable office space, easy access, good parking (including for the buses), program room for the Youth and, eventually, Kinder Kidz as well as space for the Gift of Christmas program. All our furniture at the new location was donated by Pearson-Dunn as they were relocating their offices. ***Please join us in prayers of thanksgiving to God for the blessings He has given us and the opportunities (expectations!) to use this new facility wisely.***

***\*\*\*\*\*Pray for the Open House Celebration that is happening this evening--that many folks will come and be inspired to volunteer, donate, and pray for the City Kidz ministry!!***

### 2. A New Season of Saturday Programs

September 8 was the first day back for City Kidz at the Sherman Playhouse Theatre, and it was a great day!

***Please pray that children who moved away from our service area will find other positive influences in their lives.***

***Please pray that volunteers who were not able to return will know that their time they have given is appreciated and that their gift has had an impact.***

***Pray that new volunteers will be found to fill the gaps created during the summer months.***

***Pray for the team as they develop new programs, reorganize routes, train volunteers and build relationships.***

### 3. Home Visits

Lots of churches and clubs have programs for kids but it is the fact that we go to their homes and visit them one-on-one which makes City Kidz unique and dramatically increases the impact of our program. ***Please pray for the staff members and volunteers who visit children every week, pray that connections will be strengthened and that our teams will meet new children so that they too can become part of City Kidz.***

### 4. Preparations for Miracle Sunday, 2012

Praise the Lord that City Kidz representatives have been invited to speak at several local churches over the past month. ***Pray for more opportunities to share about the City Kidz ministry.***

October is Pastor Appreciation Month, and packages (with information, posters, and a personal thank-you card) are being prepared for the pastors/leaders of each of our Miracle Sunday churches. ***Pray that these packages will encourage the pastors, and will help to open the door for the churches to take part in Miracle Sunday, 2012.***

Thank you once again for your faithful prayers for City Kidz.

Many blessings to you and yours.
