the world is our city

what is *Hamilton* IMPACT?

Hamilton Impact is a one week intensive evangelistic campaign and evangelism training program geared to helping followers of Jesus Christ develop their skills in sharing the gospel with people of various religions and beliefs in Hamilton.

Each day of the campaign will be dedicated to learning and understanding the dominant beliefs and worldviews in our city. We will look at Islam, Catholicism, Atheism and Agnosticism.

This excellent training will be coupled with the daily practical experience of sharing the gospel in our community.

who should PARTICIPATE?

If you are concerned for people who need Jesus Christ, want to understand the beliefs and worldviews of the growing numbers of non-Christian Canadians and desire to be better equipped to witness for Christ and share the good news of his life, death and resurrection with others, Hamilton Impact is for you.
