

Peter and Rosemary King Update

January 12, 2012

Dear Friends:

The following is a ministry update for the month of December/11:

Praise Items:

1) We praise God for the marvellous things that He has done through the Pearson Airport Chaplaincy Ministry in 2011. Many lives were touched through our worship services, Bible studies, pastoral counselling sessions, and literature distribution program. As for me, I had the joy of seeing 15 precious souls make decisions for Jesus Christ, or recommit their lives to Him. Among these dear ones was a young lady who was raised in the Sikh faith!

2) Certainly a highlight of the month was our special Christmas service, which was held in the Terminal 1 Chapel on December 23rd. Our theme this year was "The GIFT (**G**od **I**ncarnate **F**orgiving **T**ransgressions) of Christmas." Frankly, I was "blown away" by how God "showed up." Not only were we blessed by the music ministry of **Paul Taylor** (trumpet), **Alan Vincent** (trombone), and **Doug Schinkel** (keyboard), but the Gospel message was declared with clarity and power to airport staff and travellers - many of whom were unsaved!

3) I was privileged to counsel an estranged couple who comes from a Bhuddist background, and to see reconciliation take place. Please pray that the Lord would bring salvation to this household.

4) We praise God for answering our prayers our behalf of single mom '**K**' (the daughter of a retired Air Canada employee). Indeed, He has provided for this lady in remarkable ways - even making it possible for her to receive further education and training in preparation for future employment!

5) We are so grateful for God's provision through **you** - our faithful ministry partners. What a blessing and encouragement you are to us!

Prayer Requests:

1) Please pray for the Lord's continued blessing upon the Pearson Airport Chaplaincy Ministry in 2012. Indeed, He is able to do "far more abundantly beyond all that we ask or think"! (Ephesians 3:20).

2) Several airport employees (believers) are facing spiritual struggles of one sort or another. Please pray for these folks - that their lives would be marked by victory and a consistent pattern of spiritual growth.

3) Please remember airport employee 'E' in your prayers. This dear lady has been unable to work for more than two years, since being diagnosed with breast cancer. Yet she has not been forgotten. In addition to maintaining regular contact with 'E,' we have connected her with folks at **First Filipino Baptist Church** in Toronto. In fact, a dear couple from this church "brightened up" 'E's Christmas by treating her to a cantata and luncheon that was held at a daughter church - **Living Hope Baptist Church**. What a gift!

Needless to say, dear friends, your prayers and support for the ministry are not only vital, but deeply appreciated. Thank you so much!

Yours in His grace,
Peter (and family)
