

Weekly Prayer Prompter

August 20 to August 26, 2017

Praise for...

- A fantastic week of Vacation Bible Camp! We had over 200 kids registered and 100 volunteers which made for quite a busy, but rewarding week. What a blessing to have many of the kids participating in our service this Sunday!
- All of the visiting VBC families who took the time to learn more about the programs offered here at West Highland. May the connections made with community families cause them to seek out opportunities to grow their faith.
- Those who have been joining together with us in prayer on Wednesday evenings at Mountain Prayer Summit this summer. Praise the Lord for the prayer warriors among us who long to see our church, city and world strengthened by the power of God.
- Our pastors who have made the book of Proverbs come alive for us over the summer months as we looked at “Wise Living in a Broken World”
- Everyone who has helped with our sponsorship family’s home. From cleaning, to painting, to moving them in, the help was greatly appreciated!
- How the Lord continues to work in people’s lives as evidenced by the yellow slips of paper that are brought to the Thankometer each week

Pray for...

- The messages heard during our Vacation Bible Camp will continue to resonate in the hearts of each kid in the coming days and weeks. May they know the truth that they are “Created by God, Built for a Purpose”
- Those who graciously volunteer their time in the King’s Garden helping to care for the crops over the summer. Pray also that the harvest would continue well so that it might be a great blessing to those who receive it.
- This year’s interns as they begin to transition out of their ministry roles at West Highland over the next couple of weeks and return to school—Robert Buchner, Nathan Budge, Nathan Ecker, Deb Galloway, Lauren Kapteyn, Nathan Kapteyn, and Julia Robinson. May God continue to use them for his glory as they look to him in their daily lives.
- All of our leaders as they begin preparing for ministry in the fall. Pray that all the details will come together well, that many will participate and helpers will be easy to find, where needed.
