

Prayer Prompter

June 17—June 23, 2018

- As we celebrate Father's Day, we praise the Lord for the **fathers** among us. Pray for God to bless them with wisdom and integrity as they live out their faith among their families, workplaces, and communities.
- Pray for our country. News of the **Trinity Western ruling** this week was not what we hoped it would be, but we know that God is sovereign and still in control. Continue to pray for our leaders as God has instructed us in his Word (*Romans 13:1-5*).
- Pray for our newly-elected **provincial government**. Pray that God would give wisdom to those who lead within our province and that his will would be done.

The king's heart is a stream of water in the hand of the LORD; he turns it wherever he will. (Proverbs 21:1)

- Praise the Lord for the answer to prayer regarding Galcom's meeting with the CRTC in Ottawa. The hearing for a **radio broadcast license** for Lachute, Quebec was held recently with no apparent objections to the application. Final papers should be received within the next four months. Continue to pray that things will go smoothly and that this project will help to share the good news of the Gospel with even more people.
- Praise the Lord for our **Father's Day Weekend Car Show** this weekend. Around 150 people were registered for our participants' breakfast and heard the gospel message presented. About 100 cars were on display and we had the opportunity to connect with many in our community.
- Pray for the **Pregnancy Support Services of Hamilton**. As we support them through their Formula 4 Life baby bottle campaign, pray for their ministry as they help men and women facing unplanned pregnancies. May we, as a church, be a great blessing to them in this venture.
- Pray for the new **Women's Bible Study** starting up this week entitled, "*When God Weeps: Why Our Sufferings Matter to the Almighty*". As the women go through this study, pray it will be helpful and encouraging, particularly for those encountering great struggles.
- Pray for **JOY Fellowship's** Year-End BBQ on Thursday. May it be a sweet time of fellowship before the summer break.
- Pray for **Trevor Dick** as he joins us for a concert on Thursday evening. May his message through words and music be a blessing to all.
- Praise the Lord for the interest in our **community gardens** this year. We're thankful for this opportunity to develop relationships with members of our community in such a practical way. Praise the Lord also for **The King's Garden** volunteers as they faithfully serve.

- Pray for our upcoming **summer camps** (Sports Camp—July 9-12 & August 20-24, Music & Arts Camp—July 16-20, Vacation Bible Camp—August 13-17, English Camp—August 27-31). Pray they will be opportunities to connect with our community, particularly the unchurched.
- Pray for **this year's interns** as they work alongside our Ministry Team this summer. May they be equipped to become effective servants of Christ while they develop their skills and gifts. Pray also for the provision of **funding for our internship program** as about \$50,000 is needed to support our interns after our Canada Summer Jobs application for funding this year was rejected due to the federal government's new regulations.
- Pray that people will find **rest and refreshment** this summer as we move into vacation season. May it also be a great blessing to families as they spend time together.
